## 保健・医療

恩納村では健康増進計画「第2次健康おんな21」に基づき、村民一人一人が自分自身や家族、地域の人々などの健康づくりに関心を持ち、健康で明るく安心に満ちた生活を送れる村づくりを推進し健康づくりにつながる各種事業やイベントを通して村民の健康増進を図っています。

成人保健事業では各種健診(検診)により疾病の早期発見及び早期治療を図り、保健指導を実施することで、疾病の予防や生活習慣病予防に努めています。

母子保健事業では安心安全な出産・育児期の親子の健康増進と育児不安の解消、疾病等の早期発見に向けて、妊婦健康診査・産婦健康診査、乳幼児健康診査や訪問指導、健康相談、各種教室等の事業を実施しております。

### Healthcare / Medical Care

Based on the health promotion plan "Healthy Onna 21 (2nd phase)," Onna Village intends to promote the health of the villagers through various projects and events that will lead to good health by creating a village where each and every resident will develop an interest in promoting his or her own health and the health of their families, the people in the local community, and others as well as by creating a village where the residents can lead a healthy, bright, and secure daily life.

With regard to adult healthcare services, Onna Village strives to prevent illnesses and prevent lifestyle-related diseases by detecting and treating diseases at an early stage through medical checkups (medical examinations) and by carrying out health guidance.

With regard to maternal and child healthcare services, Onna Village provides such services as medical checkups for pregnant and parturient women, medical checkups for infants and toddlers, home guidance, health counseling, and various classes for the promotion of the health of parents and children during childbirth and childcare, elimination of childcare anxiety, and early detection of illnesses, etc.

## 地域・障がい福祉

社会福祉協議会、民生・児童委員及び各ボランティア団体や各推進協議会と連携して、住民と行政の協働により地域でたすけあい安心して暮らせる村づくりのため、地域における相互扶助意識を啓発、地域福祉体制の充実を図ってまいります。

生活困窮自立支援相談事業や障がい者(児)相談事業等を行い村民の社会参加及び自立に向けた支援を推進してまいります。

### Community Welfare Services and Welfare Services for Persons with Disabilities

In collaboration with the Council of Social Welfare, commissioned welfare volunteers and commissioned child welfare volunteers, as well as various volunteer groups and promotion councils, Onna Village will create a village where people can help each other and live with a peace of mind through the cooperation of residents and government, and enhance the community welfare system by raising awareness of mutual aid in the local community. We will also promote support toward the villagers' participation in society and their becoming self-reliant by carrying out consultation services for supporting the independence of the poor and needy and consultation services for persons (children) with disabilities.

## 児童福祉・子育て支援

恩納村では保育ニーズへの対応、子育て支援サービスの充実や各種助成制度などの実施により、子どもを安心して産み育てられる環境づくりを進めています。

また、ひとり親世帯や養育支援を必要とする家庭への適切な支援を進め、すべての子どもが健やかに育つ環境づくりに取り組んでいます。

### Child Welfare / Childcare Support

By responding to childcare needs, enhancing childcare support services, and implementing various subsidy programs, Onna Village has been promoting the creation of an environment where mothers can safely give birth and parents can safely raise their children.

We are working to create an environment where all children can grow up healthily by promoting appropriate support for single-parent households and families that require parenting support.
